PRESIDENT’S MESSAGE

The Sri Lanka Cancer Society has successfully maintained its unblemished record of service to the community for the past 73 years, in providing care and solace to those afflicted with Cancer. Incidence of Cancer is on the rise. According to statistics published by the WHO, 18 Million new cases were diagnosed with Cancer globally with 9.6 Million deaths, in 2018. In 2020, an estimated 19.3 Million people were newly diagnosed with Cancer. The official Reports confirm that nearly 30,000 new cases of Cancer have been diagnosed in Sri Lanka in 2020.

This is an alarming trend and can only be reversed with strong action at global and national level. As a responsible organization which supplements the work of the National Cancer Control Programme of the State, it is our duty to be involved in Cancer Control Advocacy, by influencing the Government, decision makers and other key stakeholders to develop strategies plans, and policies to drive change. We have to emphasize the importance of integrating Cancer control into National and

development Agenda. Investing in Cancer Control from Prevention to Treatment and Care can deliver urgently needed reduction in Cancer related illness and death.

The Sri Lanka Cancer Society continues with great vigour to control Cancer by educating the Public on early detection of Cancer, providing care and relief to Cancer patients in the Homes and Hospice. The dedication and commitment of a few, supported by donations and encouragement of many have placed our Society in the forefront of the National Cancer Control Programme.

We are facing difficult times. With the current COVID 19 Pandemic, absence of Fund Raising activities, reduction in donations and declining interest rates have affected our income to a great extent. We are conscious of the challenges that lie ahead, but we commit ourselves with determination to provide the Cancer patients the quality of life they deserve.

Almost every family has been touched by someone close to them who has suffered the effects of Cancer and I am hopefully confident that all our well-wishers will continue to give their unstinted support to continue the Society’s good work unhampered .

I take this opportunity to record my appreciation to the Members of the Executive Committee, the Select Committees, the Staff at Head office, the Homes and Hospice, Our Branches, the Volunteers and the Donors for their valuable services, and their untiring efforts to alleviate the suffering from Cancer, in all parts of the Island.

“Courage is not having the strength to go on, it is going on when you don’t have the strength “

Theodore Roosevelt

- Cancer Society is also present in Face Book & Instagram.
- Donation of a Three Wheeler from Charles & Muriel De Zoysa Trust to the Sri Lanka Cancer Society.

THE SRI LANKA CANCER SOCIETY

SEVENTY SECOND ANNUAL GENERAL MEETING

Minutes of the 72nd Annual General Meeting of the Sri Lanka Cancer Society held on February 27, 2020 at the Sri Lanka Cancer Society Headquarters, 37/25, Bullers Lane, Colombo 07.

Present: Mr. L.D.A. Jayasinghe (in the Chair), Ms. Premila Perera, Dr. Dehan Gunasekera, Mr. Sohli Captain, Ms. Perin Captain, Ms. Anoja Karunaratne, Mrs. Veena Jayasundera, Mr. E.P. Mannakkara, Mr. K.B. Ambanpola, Mrs. M.C. Thambyah, Mrs. Indrani Nanayakkara, Mrs. Shalini Panditaratne, Mrs. Shantha Abeyssekera, Mrs. Manel Perera, Mrs. Ajantha Wickremasuriya, Mrs. Hyacinth de Rosayro, Mr. Kumar Jayasuriya, Mr. & Mrs. Hemaka Amarasuriya, Ms. Dileeka Amarasuriya, Mrs. Priya Cabraal, Mr. Ananda Kannangara, Mrs. Dilini Goonesekera, Mrs. Mary Varma, Mrs. Ianthy Pestonjee, Mr. Srinath Abeysinghe, Ms. Dulsiri Jayasinghe, Mr. Nithi Murugesu, Mrs. Sha-kou Ching, Mrs. Indrani de Silva, Mrs. Shamini Serasinghe, Mrs. Damayanthi Darsha, Mrs. Nimali Ellawala, Mrs. Dipti Silva, Dr. (Ms) P. Rodrigo, Dr. Zurfick, Ms. N.L.P. Hasny, Mrs. Farina Dole, Mrs. Chitra Fernando, Ms. Christine Cooray, Mr. S.S. Vasagam, Mrs. J. Gabriel, Ms. Nithusha Jeyakumar, Ms. Chatumali Jeyamaha, Mr. Anura Perera, Ms. Sepalika Hewavitarnne, Mrs. Jeevani Sugunadasa, Mrs. M. Jayasekera, Mr. D.M.D. Abeygoonewardena, Mr. Dilip Seneviratne, Mr. & Mrs. Dayananda Weerasinghe, Mr. S. Sumanasekera, Mr. Mohan Samarakoon, Dr. S. Siriwardena, Mr. Rohan Bambaradeniya, Mrs. M.B. Assauw, Mrs. Chitra Pieris, Mrs. Delita Fernando, Mrs. Bernie Perera, Mr. Tilak de Silva, Mr. & Mrs. Berly Jirasinghe, Mrs. Meenu Biale, Mr. Chamaka de Silva, Mr. D.W.S. Jayaratne, Mrs. Lalani Rajapakse, Mrs. Pushpa Vidanarachchi, Mrs. Priyanka Jayasundera & Mrs. Rosemary Schokman.

He next proceeded with business of the day and called for the reading of Excuses of Absence received from the following;

Mrs. Preethi Amaratunga, Mr. & Mrs. K. Balendra, Dr. & Dr.(Mrs) Romesh Dias Bandaranaikae, Ms. Diana Captain, Mr. Amal Cabraal, Mrs. D. Cadiramen, Mrs. Valerie Davidson, Mrs. Anoma Fernando, Mr. & Mrs. Gamini Fernando, Mrs. Dakshini Fernando, Ms. Tahireh Fonseka, Mr. Ajit D. Gunewardene, Dr. & Mrs. R.S. Jayathilake, Mrs. Asma Jeevunjee, Mrs. Nargis Jeevunjee, Mrs. Rosemary Jesudason, Mrs. Chandrani Jayawardena, Dr. Upali Kuruppu, Mrs. Jennifer Kelaart, Mrs. V. Mohideen, Mrs. Nirmala Motha, Mrs. Chulani Panditaratne, Mr. Nihal Rodrigo, Mrs. Rane Rajasingham, Mrs. Shantha Weeraratne & Mrs. Merle Weerasinghe

The Minutes of the 71st Annual General Meeting held on February 28, 2019 were confirmed. Proposed by Mrs. Shantha Abeyssekera and seconded by Mrs. Veena Jayasundera.

The President, Mr. L.D.A. Jayasinghe declared the meeting open and welcomed the Chief Guest, Dr. Dehan Gunesekara , Consultant Oncologist at the National Cancer Institute, Maharagama and all those present.

He said that it was with pride that he counts forty years of service on the Executive Committee of the Cancer Society which has an impeccable record not only of service but also of sound and transparent financial management. He commended the Kandy Branch for their excellent financial management and requested the other Branches to follow suit thereby gaining the confidence of the public.

With Cancer continuing to spread in spite of rapidly developing treatment methods and Public Education, the Cancer Society continues to render yeoman service providing relief to Cancer patients, Public Education and awareness to the community he said.

He did not wish to elaborate on the multifarious activities of the Society as they were spelled out in the Annual Report and would also be detailed by the Chairperson later.

Prior to handing over to the next President, he wished to pay a special tribute to Ms. Perin Captain “who has been the back bone of the Society, nurturing, mentoring , monitoring and holding it together over a long period of time , even during difficult periods”. He mentioned the struggle the Society faced to raise funds and gratefully acknowledged her Brother, Mr. Sohli Captain whose immense contribution of a large annual donation helps bridge more than 25 per cent of the total expenditure budget of the Society.

In conclusion, he profusely thanked the Executive Committee, other Committee members, Staff of the Head Office, Hospice and Homes , Volunteers, Staff at the Apeksha Hospital and all Donors. He hoped that the Society will continue to benefit from their service ‘with greater momentum in the coming years, in the cause of prevention and cure of Cancer.’

The President next called upon the Chairperson, Ms. Premila Perera to deliver her address.

It was her privilege she said to address the gathering and provide a brief overview of the Society’s activities for the year 2018/19, elaborate on some significant matters included in her Report contained in the Annual Report and also highlight some of the future actions planned.

The Society’s mission is twofold, she said: providing care and solace to needy Cancer patients and increasing awareness of Cancer. On the care front, Shantha Sevana Hospice, which ‘continues to be maintained in pristine condition... takes pride of place and merits first mention’ she said. She gave a brief description of the Hospice and its functions and added that its management is carried out under the able and committed guidance of the Chairperson, Mrs. Ajantha Wickramasuriya and its Committee. She thanked its founder and benefactor, Mr. Sohli Captain for his continued generosity. She explained the role and functions of the Cancer Homes run by the Society, which are care facilities for needy Cancer patients seeking treatment. She explained that the Karl Bevan Ward which was released for use by the Apeksha Hospital for approximately five years was returned in an unfit state for use by patients. This Ward was refurbished and renovated at a cost of Rs. 5.8 Million, funded entirely by donors. The capacity of the Home has increased following the renovation from 50 to 83 beds which will result in an increase in operational costs as well

she pointed out. She thanked the then Committee headed by Chairperson Ms. Indira Kulatilake for their untiring efforts to complete this project. She outlined the Relief and Rehabilitation initiatives of the Society and said that the quantum of financial assistance given to needy Cancer patients is inadequate in the context of the rising cost of living, but an increase would necessitate a corresponding increase in the Sponsorship contributions as well. The late Mrs. Ambanpola who enthusiastically led this Committee as well as served on the Executive Committee will be dearly missed she added.

She stressed the importance of the Society's mission to create Cancer awareness i.e prevention, early detection and treatment, which is spearheaded by the Public Education Committee, under the able leadership of Mrs. Indrani Nanayakkara, well supported by the Public Education Officer Mr. Jayaratne. She requested more publicity for the widely conducted programmes. She pointed out that the weekly held OP Shop not only raised funds but was also used to distribute Cancer awareness literature. She made special mention of the monthly free Poly Clinic for women held at the Society Head Quarters and sought wider publicity and support for this initiative from the medical community.

She recorded her special thanks to the Finance Committee, led by its Chairman Mr. Nihal Rodrigo and Treasurer, Ms. Anoja Karunaratne, for their management of the financial infrastructure of the Society.

She explained that the Society's work and mission are carried out by autonomous Branch Societies and that their Annual Reports and Accounts other than those of the Anuradhapura Branch are reproduced in the Report. She stated that appropriate action will have to be taken against the Anuradhapura Branch for their lapse, as prescribed by Statute. She congratulated the Kandy Branch for their continued commitment in furtherance of the Society's mission and appreciated their good governance and standards of accountability as expected from a voluntary Organisation which is the recipient of donor funds.

Whilst recording the Society's grateful thanks and appreciation of those who have helped in cash, kind or with their time, volunteers, those who have shared their professional expertise, she also made special mention of the following:

Mr. Sohli Captain, the largest single donor partner of the Society .

Donors, David Pieris & Company, D.S Jayasundera Trust, Mrs. Jennifer Kelaart, Mrs. L.B.S Rajapakse Trust, Maharaja Organisation, MAS Intimates, NCD Alliance, AIA Insurance Lanka PLC, Robert Bogoda Trust, Mr. Ambanpola Family Trust, Ministry of Health, Mrs. Preethi Jayaratne, Mrs. Prisca Fernando and Mr. Tennyson Rodrigo.

Mr. Ajit Gunerwardena for his commitment towards the Annual Fund Raiser – 2019.

Mr. Hemaka Amarasuriya, Chief Organiser of the Annual Fund Raiser, for his unstinted time and commitment for previous years.

Mr. Rajeewa Jayaweera and family for the donation of a three wheeler to the Hospice and the Charles & Muriel de Zoysa Trust for the donation of a three wheeler to the Head office.

Ms. Perin Captain, for being the mentor and guide of the Society and for her selfless service spanning decades. She was also thanked for facilitating the counting of Airport and Aviation Tills together with her dedicated group of volunteers.

Health Ministry Officers, Apeksha Hospital Director, Consultants and all Staff.

Mr Nithi Murugesu , the Honorary Legal Adviser.

KPMG, Chartered Accountants, the Honorary Auditors.

Members of the Executive Committee, Select Committees, Head Office Administrative Staff, Nursing and Administrative Staff at the Hospice and Homes for their dedicated service.

In conclusion she remarked that the deficit of Rs 6.9 million for the year under review, as shown in the financial statements was largely due to the fair value adjustment on investments in listed shares, making it clear that donor funding is vital to the Society. With pressures of escalating cost stemming from the expansion of capacity at the Cancer Homes and the downward trend in interest rates, the Society is grappling with a deficit in funding she said. She also pointed out that securing donor funding is more difficult due to the current economic situation, Corporates aligning with their own pre-defined CSR programmes and the traditional fund raising methods of the past such as the Annual Fund Raiser no longer yielding the necessary results.

Yet in this climate it was heartening she said that AIA became the Society's Charity Partner in their Centennial Year 2019, to be extended to 2020 as well, assuring the Society a sum of money on each of their new policies issued. She appealed to other corporates to mirror similar sustainable revenue based arrangements with the Society. She also sought support and encouragement from the State and Community which would help the Society to meet its challenges and deliver on its mission of care.

The President then called for the Adoption of the Annual Report and Audited Accounts for the year ended March 31, 2019. These were adopted, proposed by Mr. K.B. Ambanpola and seconded by Mr. Srinath Abeysinghe.

Thereafter the election of the office bearers and Executive Committee for the year 2019/2020 took place and following were elected.

(i) **President** - **Ms. Anoja Karunaratne**
Proposed from the Chair

President continues with the election of others;

The President thanked the Chief Guest, Dr. Dehan Gunasekera, for his presence and invited him to address the gathering.

Addressing the gathering, he said he was honoured to be invited as Chief Guest of the 72nd AGM of the Sri Lanka Cancer Society.

He explained that the country had 9 Cancer units, one in each Province; manned by a minimum of three Oncologists and that steps are being taken to provide Oncology care at District level as well. The National Cancer Institute in Maharagama is the key Cancer Unit in the Western Province he said. Tracing its history from 1956 from a ten bed ward for Radiotherapy to the 1010 bed hospital, today, it caters to approximately 600 outdoor patients daily and 45% of all newly registered Cancer patients in Sri Lanka across provinces and districts, he added.

He drew attention to the fact that the Sri Lanka Cancer Society established in 1948 is even older than The National Cancer Institute in Maharagama. It has been and continues to be a “major supporting arm of Oncology”... building the Hawke Memorial Ward for then Radium treatment as far back as in 1957 he said. The Bandaranayake Ward established by the Sri Lanka Cancer Society in 1962, housing those from distant areas receiving outpatient Radiotherapy is a much sought after facility he added. The Shantha Sevana Hospice is a “tower of strength to Oncology and works in collaboration with the Palliative Care Unit at the National Cancer Institute, Maharagama for better management of their patients he commented. He said the Society has been a pioneer in Hospice care and that the Oncologists greatly appreciate that the Society shares their experience in management of a Hospice with others that have started up in Kandy, Anuradhapura and Jaffna. He sought help in the way of sharing “invaluable experience” with the newly established Hospice in Batticaloa and almost complete Hospice in Karapitiya as well .

He had a special word of appreciation for the volunteers from the Society who helped both the patients at the Shantha Sevana Hospice and the patients and their bystanders at the Hospital. The Poly Clinic run by the Society which he too participated in, in his early days as an Oncologist was a great boon to the general public he also added.

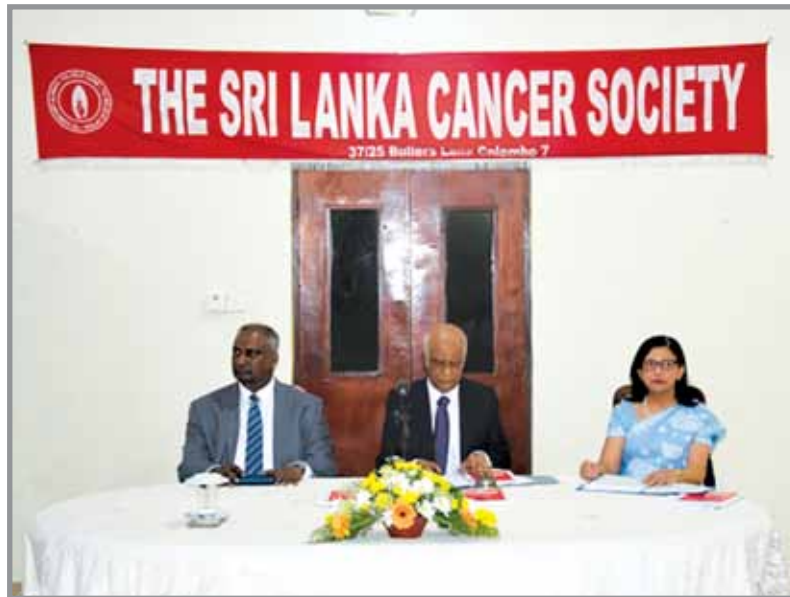

He concluded by wishing the Cancer Society all the very best, thanking the organizers yet again for inviting him and pledging to collaborate with the Society for the betterment of Cancer patients.

The next item on the Agenda was the presentation of Certificates of Appreciation. These were presented to the following by Dr. Dehan Gunasekera.

1. AIA Insurance Lanka PLC.,
2. NCD Alliance Lanka,
3. The International Association of Lions Clubs
4. Mr. Ajit Gunewardene
5. Hatton National Bank, Airport Departure Counter
6. Airport and Aviation Services of Sri Lanka
7. Mr. Dilip Seneviratne
8. MAS Intimates, Social Sustainability & Diversity Inclusion
9. Mrs. Indrani Nanayakkara and her Team – “Op-Shop”
10. All Ceylon Women’s Buddhist Congress

Proceedings being over the President in a short speech thanked Dr. Dehan Gunasekera and all others for their presence at the meeting and declared the meeting closed.

***Ms. Perin Captain
Hony. General Secretary***

Dr. Dehan Gunasekera, President, Sri Lanka College of Oncology was the Chief Guest at the 72nd Annual General Meeting of the Sri Lanka Cancer Society held on February 27, 2020. Picture shows, Dr. Dehan Gunasekera, Chief Guest, Mr. L. D. A. Jayasinghe, President, and Ms. Premila Perera Chairperson of the Society at the Main Table.

After signing the MOU with AIA (Sri Lanka Cancer Society first Corporate Charity Partner) for the year 2020 on February 27, 2020

AIA Supports Sri Lanka Cancer Society

AIA Insurance is part of AIA Group, which is the largest Life Insurer in the World, with over 100 years of experience across Asia

AIA CEO, Nikhil Advani commented, “While the world is focused on COVID – 19, Non-Communicable Diseases, such as Cancer remain a very real problem in Sri Lanka and are responsible for over 76% of deaths, which is well above the global rate of 63%. Cancer is one of the nation’s leading health concerns and needs specialized treatment and more so, a dedicated care and support system for the patients and their families. We truly appreciate the good work that the Sri Lanka Cancer Society are doing in this regard. It gives us great meaning and purpose to be able to support the Cancer Society in caring for patients faced with this dreaded illness – both physically and emotionally”.

REPORT OF THE CHAIRPERSON EXECUTIVE COMMITTEE

The Society continued on its journey of care into its 73rd year in the pursuance of its vision "*to help cure, relieve often & comfort always*". An extremely daunting year given that the commencement was marred with the Easter Sunday terror attacks with the conclusion stricken with the beginning of the COVID pandemic in Sri Lanka. These disasters with the ever evolving pandemic scenario continuing into the ensuing financial year as well, and the resultant obvious detrimental impacts on the Sri Lankan economy, has posed many a challenge to the Society. In this background it is my humble duty to present this report.

Despite the challenging environment for a donor dependent organization, the Society continued with the provision of multiple care and service facilities to needy patients, in the pursuance of its mission and belief that every Cancer patient deserves great care and comfort both physical & psychological. As importantly it continued its pursuit of educating the community on prevention, early detection, and treatment.

I have herein below, made mention in summary of these segmental operational activities of the Society, whilst the reports of the relevant select Committee which oversees each of such segmental activity are published elsewhere in this report. I would also record my deep appreciation to the respective Chairpersons and members of these Committees for their unstinted support and commitment to the cause and in the furtherance of our mission.

Shantha Sevana Hospice

This, the first "Hospice" care facility in Sri Lanka, encompasses a 32 bed "rest home" offering free palliative care and moreover bringing a ray of hope, through compassionate loving care to those terminally ill Cancer patients.

It was established and has been operational since 1996, thanks to the unstinted generosity of Mr. Sohli Captain, who continues to provide an Annual donation to maintain this pristine facility.

Cancer Homes

The Bandaranaike Memorial Homes is our 83 bed "transit home" which provides residential accommodation and nursing care. This enables any needy patient seeking treatment, be it Chemotherapy, Radiotherapy or Haematology at the National Cancer Institute Maharagama. (i.e. The Apeksha Hospital) and from any part of the Island, and devoid of any discrimination to be able to do so by staying in our Homes. We take care of them, we provide all meals, they have the benefit of well laid-out accommodation and nursing care even to the extent of being taken across for treatment to the Apeksha Hospital daily or periodically as maybe required.

Relief & Rehabilitation

On the care front, we continue in our efforts to provide relief and rehabilitation to approximately 125 out patients i.e. Cancer survivors , who are challenged financially and sometimes mentally as well to resume a normal day to day life and make a living for themselves.

Monetary assistance is also offered to poor patients to enable them to purchase vital drugs and efforts also made to encourage and help patients to be self-sufficient and strive to have a means of livelihood.

Public Education

Whilst we care for patients in our facilities, we also continuously strive to educate the community regarding this deadly disease, to encourage individuals to minimize Cancer causing activities and create awareness that will enable early detection and prompt treatment.

Whilst the activities of the select Committee which spear heads these initiatives may have been somewhat inhibited during the period under review, due to external deterrents, they nevertheless pursued their mission relentlessly via many awareness programs some physical and some via social media, educational exhibitions, and most importantly continuing the monthly Polyclinic for women at the Society Headquarters.

It is indeed with a great sense of sadness that I record the passing of our Public Education Officer Mr. Jayaratne, under tragic circumstances at the beginning of this year, having rendered yeoman service to the Society and the community over many years.

FINANCES & FUNDING

This is the essential prerequisite for the Society to pursue the operational activities as herein before described and in the delivery of its mission.

The fundamental underlying requisite to facilitate and optimize on funding is the "management and control of finances, investments, financial systems and procedures" which is a task mandatory upon the Honorary Treasurer with oversight by the Finance Committee. Indeed I would like to record my appreciation to Shalini Panditaratne, Honorary Treasurer and also to Anura Perera, Chairperson of the Finance Committee who unstintingly gave of their time and expertise to deliver on this task. They moreover with the support of the Finance Committee, went the extra mile and inter alia enhanced governance by introducing improved systems and procedures, rationalized investments with a view to optimizing on yields and managing risks, and also ensured the ring fencing of Investment of endowments so as to comply with mandates of our Constitution.

The other important facet or requisite is the development and implementation of strategies for optimizing on donor funding. With this end in view the Executive Committee appointed Mr. Kumar Jayasuriya to spearhead fund raising in the later part of 2019. In the backdrop of the economic downturn stemming from the multiple disasters facing our country, corporate donor funding was hard to come by. Mr. Jayasuriya and his team of volunteers however did much to support my initiative to develop a Website for the Society which was a grave lacunae especially in reaching out to overseas donors, the development of the requisite IT framework being undertaken by KPMG on a gratis basis. They further facilitated content development by TBWA, a Marketing cum Communication Company also on a pro bono basis. Today the Society has an informative live website, with a good look and feel as per feedback received, including an Internet Payment Gateway facility supported by the Commercial Bank of Ceylon PLC and with the set up services once again provided gratis by KPMG.

The Fund Raising team was also instrumental in facilitating the extension of the Memorandum of Understanding with AIA for the year 2020, which provides for a revenue sharing Partnership with the Society. Also for arrangements for corporate Sponsorship of certain Society expenses such as general Insurance, sanitization requisites, post the Covid Pandemic and so forth.

As per the Financial statements before you it is pertinent to note that the Society recorded a deficit of Rs. 3 Million for the year under review (after adjusting the notional fair value gain on investments of Rs. 1.9 M) in comparison to a net surplus of Rs. 2 Million in the previous year.

BRANCH SOCIETIES

The work and mission of the Society outside Colombo is carried out by autonomous Branch societies, the management, administration and finances of such Branch Societies falling entirely under the purview of the Executive Committee of the relevant Branch Society. Annual reports for the year 2019/20 of the Kandy, Moratuwa, Galle and Batticaloa Branches are reproduced separately in this publication. *It should be noted however that the Accounts of the Galle and Batticaloa Branches are unaudited.*

The Kandy and Moratuwa Branches merit special mention in appreciation of their commitment to be compliant with norms of governance desired of a voluntary Organization, which is a recipient and custodian of donor funds by ensuring the Audit of its Annual financial statements by a recognized firm of Chartered Accountants.

OUR APPRECIATION

To Mr. Sohli Captain, the largest single donor Partner of our Society, for his continuing steadfast sponsorship of the Hospice with once again a donation of Rs. 15 Mn. to meet its operational costs.

To AIA our first corporate Charity Partner for contributions aggregating Rs. 4,847,200/- in terms of a revenue sharing arrangement of Rs. 100/- on each new policy.

To the following generous donors; Ms. Damayanthy Pathmanathan, L.B.S. Rajapakse Peiris Trust, Mr. Ambanpola & Family Trust, Robert Bogoda Trust, Mrs. Varuni Cabraal, Mr. Nithi Murugesu, Mrs. Dakshini Fernando, 1967-72 Batch of Engineers(University of Moratuwa) Mrs. Shanthi Sirinammuni.

To Airport & Aviation Services (Sri Lanka) Ltd for facilitating the placement of tills at the Airport resulting in collections approximating Rs 2.4 Mn.

To KPMG (advisory services) for developing the IT framework , providing all associated IT support, including linking of an IPG for our website, for a costing analysis to validate certain financial data on the site and facilitating a Microsoft Azure hosting platform with a free quotient of USD 3500 per annum.

To TBWA for assisting with the development of the web content.

To Commercial Bank of Ceylon PLC for waiver of the IPG set up and annual fees.

To Dialog PLC for enabling participation on the Dialog donor platform.

To all other donors be it in money, kind or time who we are unable to mention individually.

To Ms. Perin Captain, Mentor and guide for decades who is the epitome of selfless service,

To the Health Ministry Officers, Apeksha Hospital Director, Consultants and all staff

To Mr. Nithi Murugesu, our Honorary Legal Advisor,

To KPMG, Chartered Accountants our Honorary Auditors.

To my Co-members of the Executive Committee, select Committees, Head Office Administrative Staff, Nursing and Administrative Staff at the Hospice and Homes and all volunteers for their dedicated service.

WAY FORWARD

Today we stand nearly one year beyond the end date of the year under review. Hence I believe it is necessary to assess where we are and the way forward for the Society. Although in the year under review the Society recorded a deficit of Rs. 3 Million, in the ensuing current year, our deficit for 10 months is close upon Rs.14 Mn. No doubt the effects of the economic downturn in the Country placing constraints on donor funding, the alarmingly accelerated downward trend in interest rates, the escalation of costs especially the COVID resultant need for additional sanitization requirements, provision of PPE equipment to our nursing staff and patients and so on and so forth. If we are to continue to provide the multiple care facilities that we do, and at the standard of service that we have always proudly maintained, we need to reach out to the State and our communities for help. Donor funding is the lifeblood of the Society and today more than ever the need for such is paramount.

May be the new informative website linked to an Internet Payment Gateway could to some degree be used as a medium, to help generate awareness of the Society amongst our communities, especially the diaspora, and I appeal to you all to help us in this regard. It should hopefully provide information on what we do, how the community may extend a hand of care to help us and thus the Cancer patients that we care for.

May we thus all work together to meet & overcome these challenges for the cause we all hold dear so that

***"Where there is despair we may bring hope
Where darkness - light and where sadness - joy"***

"WE ARE THE CHANGE THAT WE SEEK"

Ms. Premila Perera

FINANCE COMMITTEE

Mr. Anura Perera - Chairman

Mr. A.J.B. Anghie

Mr. Nanda Bandara

Ms. Perin Captain

Mr. Kumar Jayasuriya

Ms. Anoja Karunaratne

Ms. Indulekha Karunaratne

Mr. E.P. Mannakkara

Ms. Premila Perera

Mrs. Shalini Panditaratne

Mr. Mano Rajakariar

Mr. Nihal Rodrigo

The Society reported a deficit of Rs.936,764 compared to a deficit of Rs. 6,854,006 reported for the year ended 31.03.19. This was mainly due to the fair value gain of Rs. 1,908,480 from investment in quoted shares compared to a fair value loss of Rs. 8,946,000 last year.

Interest income and public donations recorded a marginal increase compared to last year. However we wish to recognize and appreciate the donations received from AIA Insurance as a result of sponsorship agreement reached last year, which amounted to Rs. 4,847,200. We also continue to benefit from the magnanimous donation of Rs. 15,000,000 from Mr. Sohli Captain to the Hospice Maintenance Fund.

Operating expenses at the Home and Hospice before the allocation of Head office expenses and without cost of foods increased by 11% and 20% respectively compared to last year.

Series of initiatives were taken to improve the internal controls including the recognition of in-kind donations from the public. Some of the Endowment Funds which were categorized under restricted funds have now been recognized separately. Total Endowment Funds as at 31.03.2020 amounts to Rs. 12,830,446. Action was taken to back these endowment funds with corresponding fixed deposits. Accordingly Rs.4,812,537 was placed in corresponding Fixed Deposits as at 31.03.2020 and the balance has been deposited subsequent to the Balance Sheet date.

I wish to thank Ms. Premila Perera for her leadership, guidance and passion for the cause of the Society. I also wish to thank Mrs. Shalini Panditaratne, Treasurer for her contribution in improving the general controls and financial discipline and other members of the Finance Committee for their valuable support.

Anura Perera

HOMES COMMITTEE

Mr. Dayananda Weerasinghe - Chairman

Ms. Harini Jayewardena

Mr. J.M.S. Jayasinghe

Mrs. Ramona Haji Omar

Mrs. Anoma Ratwatte

Mrs. Lilamani Sirimanne

I am pleased to present the Homes Sub-Committee Report for the year 2019/20.

The Cancer Home is a complex of the Karl Bevan Home and the Bandaranayake Home with Bed strength of 83 in 3 Male wards, 2 Female wards and 08 Rooms.

All patients admitted to the Homes are referred by the Consultants at the Apeksha Hospital. We are truly grateful to them for the care and attention they extend to our patients.

During the period under review 930 patients were admitted.

Comfortable accommodation, Nursing Care and Medical attention are provided free of charge to all who gain admission. Patients are transported daily to the Hospital for treatment.

Reservations for Meals on selected dates can be made through the Homes Office (***0112 850251***) or the Society's Head Office (***011 2585879***)

My grateful thanks to the Secretary, Matron, Nursing Staff and other employees for their dedication and years of loyal service.

In conclusion, I take this opportunity to thank the Executive Committee for their valuable advice and support at all times.

Dayananda Weerasinghe

***The more of everything you share
The more you'll always have to spare

Mrs Elaine de Lile
Mrs Priya Cabraal

Mrs. Surekha Gardiner
Mrs. Sunanda Jayasekara
Mr. George Mu
Mr. Dayananda Weerasinghe

Established in 1996, Shantha Sevana Hospice, the first of its kind in Sri Lanka, offers palliative care to terminal Cancer patients. It is maintained by the Sri Lanka Cancer Society. Shantha Sevana endeavours to provide patients with relief from pain and other distressing symptoms, as well as Psychological and spiritual support, so as to secure the best quality of life possible during their final days.

All services and facilities provided at Shantha Sevana are entirely free of charge. It has a Male and a Female ward, each with 16 beds. In addition, there are two private air-conditioned rooms available to patients who have their own carers. Admissions are on referral through the Apeksha Hospital. The year 2019/20 had 170 admissions and 130 deaths.

Medical needs of patients are met with special emphasis on symptom control and pain alleviation, including administering morphine when needed. Meals served to patients are wholesome, nutritious and tailored to individual needs when required.

The team includes qualified Nurses, Trainee Nurses, an Administrative Secretary, Hospice Aides, Cooks, a Driver, Labourer ably supported by visiting Doctors, Physiotherapists, trained Counsellors and Volunteers. The volunteer movement is of paramount importance to the efficient functioning of the Hospice and we are thankful to our volunteers and look forward to welcoming many more.

10 Committee meetings were held during the year under review, majority of which were conducted at the Hospice premises in Maharagama. This enabled the Committee to obtain a good understanding of the Hospice operations and it also provided the opportunity for the Committee to interact with the Staff.

Days of special significance such as Sinhala and Tamil New Year, Poson Poya Day, World Hospice Day and Christmas were celebrated. In addition, other religious and entertainment programmes were organized. Special requests of patients in relation to their religious needs, entertainment or other were granted wherever possible.

The Hospice had to face numerous challenges posed by the Covid - 19 pandemic during the last quarter of the year under review. The staff under the able guidance and close supervision of the Chairperson did an admirable job continuing the operations of the Hospice during this difficult time. The Committee extends its grateful thanks to the staff of Shantha Sevana for their dedicated service.

Donations are imperative to maintain the high level of care the Hospice offers. We sincerely thank and deeply appreciate the generosity and kindness of all our donors and look forward to their continued support. The Hospice would not be what it is today if not for our main donor and benefactor, Mr Sohli Captain. We thank him profusely for his generosity to the Hospice spanning decades.

It is with deep regret that we record the passing away of two Committee members; Ms Elaine de Lile and Mrs Sunanda Jayasekara. Mrs. de Lile served as a member of the Hospice Committee for 16 years and her conscientiousness, loyalty, enthusiasm and tremendous commitment will be sorely missed. Mrs Jayasekara served on the Committee for 6 years during which time she too contributed much to the smooth functioning of the Hospice. We shall miss their services greatly.

Ms. Premila Perera

Mrs. Shanika Wijesinghe

Mrs. Mary Varma

In the year 2020 we were able to serve Tea at the Apeksha Hospital only the months of January and February. Since the Pandemic the Hospital has not given us the green light to commence the Tea Clinic operations.

Due to the Covid pandemic we were forced to send the Grants to the Out Station patients for 2 months at once. Also, the Outdoor patients who come to the office were sent Money orders.

This time as we were unable to organize a Christmas party like we usually do, along with their Monthly grant we sent an additional Rs. 3000.00 to the outdoor patients and Rs. 2000.00 to the Outstation patients.

I would like to mention at this time that Mrs. Veena Jayasundara assisted one of our patients from Deniyaya by the name of Deepana Rasangana who is 19 years old who had to get his leg amputated by getting Water supply to their home. We do appreciate Mrs. Jayasundera's caring generosity.

Also I would like to mention some of our silent donors - Ms. Tahireh Fonseka, Mrs. Anoma Amarasuriya, Mrs. Lanka Attanayake, Mrs. M. Jayasekera, Mrs. Jithari Cooray, Mrs. Shanthini Gunaratne, Mrs. Menaka Anderson, Mrs. Veronica Kamruddin, Mrs. Rubini Chinniah, Mrs. Charmaine Warnakulasuriya, who assist us financially whenever the need arises.

A very special word of thanks to Ms. Perin Captain who very willingly supports the Relief and Rehabilitation Committee in so many ways even before we have asked her, always caring for the needy patients. Her target is to find Sponsors for all 125 patients this year.

Finally my heartfelt thanks to all my Committee members, all volunteers who assist at the Tea Clinic Ms. Niromi, all Donors and well-wishers, all Sponsors and the staff at the Head Office for their unstinted support at all times.

Hyacinth de Rosayro

Cancer Survivors and visitors are singing a healing Hymn, before commencement of the Annual Christmas Party at the Head Office in 2019.

Mrs. Veena Jayasundera facilitated one of our Cancer Survivors, Deepana Rasanjana (19 years) by sponsoring the installation of a Water supply System to his home at Deniyaya. Picture shows Deepana's family with a photograph of his Father.

PUBLIC EDUCATION COMMITTEE

Mrs. Indrani Nanayakkara - Chairperson

Mrs. Nedra Hewavitarne
Mr. Q C Fernando

Ms. Anoja Karunaratne
Mr. Ananda Kannangara

Oncologist Dr. Siddhartha Mukherji has titled his book on Cancer –
“The Emperor of all Maladies”.

This is a must read for those who are involved with Cancer.

It is against this powerful Emperor that the Public Education Committee is waging war with weapons of awareness and education. We try to captivate the masses through many programmes of Physical, print and social media.

The best defense against Cancer is prevention and early detection. With this objective we have conducted many Seminars during the year under review. In spite of the disturbances in the country due to Easter Sunday attack, Presidential Election and the Covid Pandemic we have managed to hold 100 programmes for 35,019 participants.

Mr. Jayaratne had covered 12 AGA Divisions of faraway places like Yapahuwa, Mahiyangana. He had done 11 school programmes, several special training programmes for preschool Teachers, Kantha Samithi and Teachers. Other than these we had targeted BOI office staff, Police, members of Parliamentary Police post and an AIA awareness programme at Matara. Sanasa staff and customers of Nattandiya, Nawala, Rathmalana, Cooperatives, Telecommunication Commission Narahenpita (2 programmes) and 16 programmes for MAS Intimates.

We have conducted 2 exhibitions. Many do not realize that exhibitions are a symbolically appropriate way to achieve objectives. They are an extension of our public education programmes.

The two day exhibition under the theme Together We Can Beat Cancer was held on the 3rd and 4th March 2020 at the Sri Lanka Cancer Society auditorium. It was declared open by an eminent Physician and Professor of Medicine, Professor Mrs. Anula Wijesundera. She spoke about the importance of exhibitions on prevention and cure about Cancer.

The second exhibition was the National Health Care Exhibition at the BMICH on the 6th, 7th, and 8th March 2020. Our stall was very popular.

By volunteering at the SLCS we have come to understand human nature and the depth of caring for humanity. One becomes active, intelligent, compassionate and unselfish and this results in peace with yourself and peace of mind

I thank profusely the strong and enthusiastic public education members for planning and implementing innovative ideas for the progress of the Cancer Society. Today we are in partnership with global Cancer control activities.

I thank Ms. Perin Captain for her guidance and wisdom and the unstinted support she ever willingly gives us. She is our mentor.

THE OPSHOP

The OPSHOP was established by the Public Education Committee not only to raise funds but as a forum for public education. The customers who come to the OPSHOP are screened for Blood Sugar, Blood Pressure and BMI as these are contributory factors for non-communicable diseases.

A breakfast morning was conducted in September at the completion of one year of opening of the shop and we have managed to raise a considerable sum of money.

THE POLY CLINIC

It is conducted every 2nd Sunday of the month. Women are screened for Cervical, Breast , Oral and Skin Cancer free of charge.

The Cancer industry really wants you to believe that Cancer is a very complex disease that can only be put into remission, not actually cured. But Cancer really does not have to be this scary and dreaded any more. It is the aging population and the development of the new diagnostics that Cancer appears to be on the rise. However, more people are now living with Cancer than dying from it. According to research 55% of the individuals diagnosed with Cancer survive.

Etymologically, patient means sufferer. It is not suffering as such that is mostly deeply feared but suffering that degrades – Susan Sontag.

I sincerely thank the following -

Mr. Asoka Jayasinghe who has always encouraged us with his understanding, generosity and his empathy for the under privileged Cancer survivors.

My gratitude goes to Ms. Premila Perera the Chairperson of the EXCO for her generous donation of nearly 100 valuable books that belonged to her late Father and never failing to participate in all our activities.

Mr. Nihal Rodrigo who boosts our morale with his wit and humour and positive attitude.

Mrs. Veena Jayasundara for her generous donations of cash and beautiful jewellery to the OPSHOP and Mrs. Mohini Thambyah who never fails to drop into the shop whenever she comes to the Head office and buys something as a help. There are two other precious ladies I sincerely thank, Mrs. Helen Fernando and Mrs. Fathila for their help.

My gratitude goes to the OPSHOP Committee. The live wire Mrs. Ira Waniganayake with her enthusiasm and charming compassionate ways attracting the customers. The others are Mrs. Priya Fernando, Ayoni, Chaitri Jayasinghe and two Cancer Survivors, Weerasinghe and Kanthi who help us immensely.

Before I conclude my gratitude goes to the hard working cheerful office staff who always support and help us in numerous ways. Their witty words and their concern and care for us is amazing.

The minor staff who always have a smile and greeting for us, ever willingly to do whatever task we entrust them with, we never can forget.

I thank the generous donors and the customers who support the OPSHOP.

*“Proper posture is a way of blending with gravity
Proper attitude is a way of blending with life.”*

Indrani Nanayakkara

Mr. Jayaratne briefing Teachers and Students at a Cancer Awareness programme held at Viharamahadevi Vidyalaya, Kiribathgoda with the participation of PEC Chairperson and Mr. Q.C. Fernando, PEC Member.

Spreading awareness on early detection and prevention of Cancer is one of the objectives of the Public Education Committee. These are few of the Public programmes attached to the aforementioned objective mentored by P.E.O. Mr. D.W.S. Jayaratne in schools and Women Welfare Organizations.

The P.E.O. of the Sri Lanka Cancer Society, Mr. D.W.S. Jayaratne conducting awareness programme on Cancer – at two schools.

Lighting of the traditional oil lamp by Ms. Anoja Karunaratne, President, SLCS and Mr. L.D.A. Jayasinghe to declare open the Educational Exhibition held on March 04, 2020.

TRIBUTE

Late Mr. D. W. S. Jayaratne

A tribute to late *Mr. D. W. S. Jayaratne* who rendered an indomitable service for Public Education and thereby to the Cancer Society.

It is with profound sorrow that the Public Education Committee and the OPSHOP Committee extend our deepest sympathies.

He was a committed person who worked diligently for Public Education. Over the Ten years of his tenure at the Sri Lanka Cancer Society working for the Public Education Committee he would have educated Millions of people across the country about awareness. He was a peace loving person with gentlemanly qualities.

Words cannot in anyway compensate for the loss of such a person so near and dear to all of us and clearly a much loved person and benefactor to many.

May he attain blissful Nibbana.

“Memory is a precious gift that time cannot erase and those we love are never beyond our heart’s embrace”.

THE SRI LANKA CANCER SOCIETY
MORATUWA BRANCH
ANNUAL REPORT 2019/2020

<i>President</i>	-	Ms. Farina Dole
<i>Vice Presidents</i>	-	Ms. Chitra Peiris Ms. Delita Fernando Mr. Tilak De Silva
<i>Hony Secretary</i>	-	Ms. Bernie Perera
<i>Hony. Treasurer</i>	-	Ms. Christine Cooray
<i>Executive Committee</i>	-	Ms. Chitra Fernando Ms. Greta Gunawardena Ms. Kusum Fernando Ms. Consey Perera Mr. Oliver Fernando Mr. Gamini de Silva Mr. Mangala J. Silva

ANNUAL GENERAL MEETING

The AGM of the Moratuwa Branch was held on 26th October 2019 at No: 04, Mendis Avenue, Idama, Moratuwa. The Office Bearers and the Executive Committee were elected for the year 2019/2020.

The Executive Committee under guidance of the President has worked with commitment during the past year, although meetings and other activities had to be suspended for around 3 ½ months due to the health risk of COVID – 19 pandemic that prevailed.

COMMITTEE MEETINGS

Executive Committee Meetings are held on the last Sunday of the month. During the period under review we were in a position to hold only five Committee meetings. The Minutes and the Monthly Statement of Accounts were read and approved by the Executive Committee prior to submission to the Parent Body. Proposals and suggestions were discussed and approved for implementation at these monthly meetings.

COMMITTEE ON WELFARE OF PATIENTS

At present there are 55 registered patients. On the recommendation of the members concerned and after the approval of the Committee, regular visits are made to look into the welfare and additional assistance is provided, such as nourishment Special Investigations, essential drugs and assistance for children and needy patients. A Cash donation is also made on the death of a patient.

ADOPT-A-PATIENT – SCHEME

Cancer patients registered under the above scheme are entitled to a monthly payment of Rs.1,300/- each, totalling Rs. 858,000/- per annum for 55 patients.

During the lockdown the monthly grant was increased. This was possible by the donation of Rs. 200,000/= obtained by the President from an NGO of which her spouse is Chairman and she is a Director.

TILL COMMITTEE

This year Till Collection showed an increase in contribution at the five locations. It was decided to place more Tills at strategic locations.

SWARNAMALEE FERNANDO MEMORIAL TRUST FUND

Through the above fund, substantial dry ration packs were delivered to the patients home, using curfew passes on two occasions. The Fund also provided financial assistance to a patient for an eye operation and other medical claims.

ANNUAL CHRISTMAS PARTY

The Christmas party was held on 4th December 2019 at Holy Emmanuel Parish Hall. Each patient received a cash gift of Rs.3,000/-. The School children were gifted school bags , uniforms and shoes through a generous donor.

We are grateful to the Tyronne Fernando Foundation for their generous donation of Rs.60,000/- which enabled us to distribute valuable dry ration packs to all the patients.

Refreshment packs were given to every patient and their families, provided by individuals, KFC and Elephant House.

Entertainment was provided by Erangen and Virangen backed by Nihal Fernando's band. All of them performed free of charge.

Musical Chairs, Singing and Baila Competitions held for adults and children, were well participated and enjoyed. The winners were awarded prizes and all participants were given gifts.

The dedicated Organizing Committee lead by Ms. Delita Fernando enthusiastically collected gift items and a collection of Rs. 419,920/- towards the Christmas party to ensure that the patients and their loved ones had a memorable evening.

FUND RAISER

Due to the Covid – 19 pandemic health regulations we could not stage a Fund Raiser. Instead, we conducted a Sale of new and nearly new clothes and Miscellaneous items and raised a sum of Rs.44,190/-.

FINANCE AND ACTIVITY REPORTS

All monthly Statements and Accounts, the Annual audited Statement of Accounts and Activity reports have been submitted to the Parent Body regularly.

HOSPICE VISITATION

Every year a visit is undertaken by the Committee members to “Shantha Sevana” Hospice. Members interacted with patients and spent quality time with them. A contribution of dry rations were also made for the use at the Hospice.

REMEMBRANCE

We remember with gratitude, all the past Office Bearers, The Executive Committee Members and members of the Sri Lanka Cancer Society Moratuwa Branch, who have passed away after serving our Society.

ACKNOWLEDGEMENTS

- We extend our sincere gratitude to the generous Donors/Sponsors for their generosity and the corporate sector for their magnanimity.
- We are grateful to the Parent Body for the Annual Grant of Rs.50,000/-
- Our heartfelt thanks to Ms. Perin Captain, the representative of the Parent Body for her invaluable guidance and support extended at all times. She has been a Tower of strength and a great Motivator
- Moratuwa Branch is deeply indebted to Mrs. Chitra Peiris, Past President for allowing us to hold our monthly meetings and activities of the Society at her residence.
- Our thanks also goes to Mr. Oliver Fernando and his family for establishing a Trust Fund, which helped the patients, financially especially in obtaining treatment outside the Hospital, also dry rations and financial aid provided during the lockdown.
- Finally to the dedicated Committee for their commitment ,support and assistance in the cause of Cancer.\
- A meaningful life is not - being rich, being popular.
- Being Highly educated or being perfect.
- It is about being real, being humble, being able to share ourselves and Touch the lives of others.

Bernie Perera

Nothing can lessen the dignity of humanity so long as the religion of love, of unselfishness and devotion endures; and none can destroy or alter this faith for us as long as we feel ourselves still capable of love.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SRI LANKA CANCER SOCIETY - MORATUWA BRANCH

Report on the audit of the Financial Statements

Qualified Opinion

We have audited the accompanying Financial Statements of Sri Lanka Cancer Society - Moratuwa Branch (the "Society"), which comprise the Statement of Financial Position as at 31 March 2020, and the Statement of Receipts and Payments, Statement of Changes in Reserves for the year then ended, and a summary of significant accounting policies and other explanatory information (the Financial Statement")

In our opinion, except for the effects and possible effects of the matters discussed in the basis for qualified opinion section of our report, the accompanying financial statements give a true and fair view of the financial position of the Society as at 31 March 2020, and of its financial performance and its cash flows for the year ended in accordance with the accounting policies described in Note 02.

Basis for Qualified Opinion

1. The bank balance amounting to Rs. 118,874/- were not independently confirmed by the respective bank and could not verify the accuracy of these balances through alternative audit procedures.
2. Property, Plant and Equipment amounting to Rs. 32,648/- is stated at cost. However, we were unable to accurately ascertain depreciation charge for the year and accumulated depreciation as at 31 March 2020 due to non-availability of information.
3. The Society has not obtained an exemption or other concessionary tax rate under the Section 68 (3) of the inland Revenue Act No. 24 of 2017. However, no provision for income tax has been computed or accounted for in these financial statements.

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAusSs). Our responsibilities under those standards are further described in *the Auditor's Responsibilities for the Audit of the Financial Statements section* of our report. We are independent of the Society in accordance with the Code of Ethics issued by CA Sri Lanka (Code of Ethics), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Basis of Accounting and restriction on use

We draw attention to Note 2 to the financial statement, which describes the basis of accounting. The financial statement is solely for the information and use of Sri Lanka Cancer Society - Moratuwa Branch and should not be distributed to or used by parties other than the society. Our opinion is not further modified in respect of this matter.

Other Matter

The Financial Statements of the society for the year ended 31 March 2019 were audited by another auditor who expressed an unqualified opinion on those Financial Statements on 11 August 2019.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of this Financial Statements in accordance with the basis of accounting described in Note 2; this includes determining that the Financial Statements basis of accounting is an acceptable basis for the preparation of the Financial Statements in the circumstances, and for such internal control as management determines is necessary to enable the preparation of the Financial Statements that is free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SLAuSs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SLAuSs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report,
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

<i>Coopted members</i>	-	Dr. Mrs. C.S.M. Gunathilake Dr.Kavinda Amarasinghe Mrs.Nilupa Marapana Mr.S.M.Rizvi Dr.Yoga Anthony Mr.Athula Bowatta Miss.Manjula Rathnayake

It gives me great pleasure to highlight some of the salient areas of services rendered by the Cancer Society, during the year under review.

The intake of patients has recorded an increase as against the previous year. It appears this trend is continuing both at Maharagama and Kandy Hospitals. However it is sad to note although

cancer research had been undertaken globally we are yet to find the main cause for the increase of incidence in Cancer.

President Mrs. Marina Tennakoon has contributed well in the year under review in spite of her personal commitments. She conducted her duties with a high sense of responsibility to the admiration of all members.

A special word of appreciation to Captain Athula Bowatte for visiting the Home regularly and assisting the Matron and the office administration.

The members of the Executive and Ladies committee, Counsellors and all other volunteers are thanked for undertaking regular visits at their personal expense.

Ladies Committee

This Committee headed by Mrs. Mirani Liyanage the senior most member looks in to the progress of the home emphasizing heavily on patient care. She has detailed members to undertake weekly stock checks. Much importance is given to the quality of meals provided. The Annual cultural and religious festivals for the benefit of the inmates are undertaken as done before.

We could not have the Annual Sinhala and Tamil New Year celebration due to the spread of Covid 19 pandemic. Once again we make special mention of the Tamil Traders Association of Kandy for sponsoring the Annual Thaipongal Festival celebration at our premises for the benefit of the in house patients and staff. Our sincere thanks goes to Mrs. Sumathy Gunasekaran and Mrs. Thayalam Varugunam who organize this colourful event.

Counsellors

Cancer Education Programs are conducted by Doctors – Susil Siriwardana, Gamini Dissanayake, Chandra Gunatilaka and Yoga Anthony.

The feedback we receive from the community is indeed encouraging. Most of them are keen to learn of good health habits and maintain a healthy life style. We were unable to conduct programmes from the month of February up to now due to Covid 19 pandemic.

Once again we recall with gratitude the services rendered by the late Prof. Malkanthi Chandrasekara who passed away prematurely.

Foster Parents and Children's Education Programme

We do appreciate the work done by Mrs. Kusum Rajapakse and Mrs. Sujani Yakandawala in monitoring the need of the children afflicted with cancer. Their needs are carefully examined and supported both in cash and kind on a weekly basis. To ease the financial constraints, the Society gives a pack of dry rations and clothing etc to the beneficiaries.

The children's education programme headed by Mrs. Asoka Palamakumbura has done a remarkable job during the year. They assist school going children monthly with a minimum of Rs.2500/=. The Sponsors are advised to bank in the respective account of the Mother and not any other to avoid misuse. Some children who have shown outstanding learning abilities are provided with computers etc. A total of 76 children are assisted by well-wishers.

Drug Fund

Funds collected for the above has helped the patients to obtain medicines when found in short supply at the Kandy Hospital. We wish to make a request to all benefactors to contribute to this worthy cause by making a direct payment. (BOC81576626. Kandy Hospital Branch) As all donations are acknowledged and receipted, we appreciate such contributions being made known to the Society.

Home Visit Programme

The Home visit programmes has made good progress. Volunteers from our Society along with Doctors – Susil Siriwardana and Yoga Anthony makes regular visits to the homes of those patients who stayed at the Cancer home. They check on the use of medicines prescribed by the Oncologist and their living conditions. When they visit, a bag of dry rations is gifted to the patient. On a few occasions we have given financial assistance to complete partially built houses and toilets etc.

Finally, we thank all donors, Volunteers, well-wishers and the Staff for the unstinted support received to manage the home during the year.

Mr. Gamini Abeyrathne the Administrative Secretary left having served two years due to personal reasons. We thank him profusely for his services and wish him well in a retired life.

***WE MUST EMBRACE PAIN AND BURN
IT AS FUEL FOR OUR JOURNEY***

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SRI LANKA CANCER SOCIETY- KANDY BRANCH

Report on the audit of the financial statements

We have audited the financial statements of the Sri Lanka Cancer Society - Kandy Branch ("Hereafter Society"), which comprise statement of financial activities, and the statement of financial position as at 31 March 2020, statement of changes in accumulated fund and statement of cash flow for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

Basis for opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs) for the Audits of Non - Specified Business Enterprises (Non-SBEs), which require that we comply with ethical requirements, plan and perform the audit to obtain reasonable assurance about whether the said financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the said financial statements, assessing the accounting principles used and significant estimates made by the management, evaluating the overall presentation of the financial statements, and determining whether the said financial statements are prepared and presented in accordance with the Sri Lanka Statement of Recommended Practice for Non-for-Profit Organizations issued by the institute of chartered accountants of Sri Lanka. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.

We therefore believe that our audit provides a reasonable basis for our opinion.

Opinion

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Association as at 31 March 2020 and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Statement of Recommended Practice for Non-for-Profit Organizations issued by the institute of chartered accountants of Sri Lanka.

Respective Responsibilities of Management and Auditors

The management is responsible for maintaining proper accounting records, preparing and presenting these financial statements in accordance with Sri Lanka Statement of Recommended Practice for Non-for-Profit Organizations issued by the institute of chartered accountants of Sri Lanka. Our responsibility is to express an opinion on these financial statements, based on our audit.

<i>Auditor</i>		Mrs. Gnana de Silva

The 46th Annual General Meeting of the Galle Branch of the Sri Lanka Cancer Society was held at the International Buddhist Centre, Kaluwella, Galle on May 26th, 2019 preceded by the Anniversary Celebrations. The Patron Venerable Kanumuldeniye Chandawimala Thero, The Executive Committee and members were welcomed by the Chairman Venerable Thalangalle Vijitha Thero.

The Minutes of the Annual General Meeting for the year 2018-2019 and the Annual report were proposed and seconded by Mr. A. H. Kamal and Mrs. A.K. Danaseeli, respectively. The Hony. Treasurer W. V. Nandasena tabled the Financial Statement and the Audit Report which were duly adopted. Venerable Thalangalle Vijitha Thero was re-elected as President and the new Office Bearers were elected thereafter.

Acknowledgements

Concluding the meeting Hony. Secretary Mr. J. Welivita thanked the members and the clerical staff for their presence and support extended during the year. Special appreciation was given to Mrs. Soma Dahanayaka of the Executive Committee for the valuable service rendered by collecting donations for the Medical fund through Till collections kept at various Institutions.

Services rendered at the Cancer Unit- Karapitiya Hospital

Providing all three meals for the patients and also special food items on request by the patient.

A cup of Herbal Drink (Kola Kenda) offered instead of tea to O.P.D patients.

Financial assistance aid is provided to patients on request to buy necessary Medication which are not available in the Hospital .

Services offered for the project 'Sath Sith-Sath Kam Palliative Care Centre' (Hospice) in Karapitiya Hospital initiated by Senior Oncological Surgeon Dr. Chrysantha Perera.

The fundraising project was initiated in collaboration with the Galle Branch of the Sri Lanka Cancer Society on May 29th 2019. Nearly 73 Million was collected with contributions from the public and Rs. 20 Million from the President's Fund. The construction was completed by the Sri Lanka Navy volunteering to extend their technical assistance and manpower for the project.

Ward 65 Palliative Care Center can accommodate 30 patients with all facilities. It consists of 10 individual rooms and 20 beds in two dormitories providing the services free of charge.

Sri Lanka Cancer Society Galle Branch is providing optimal care assisting the team looking into all aspects needed by the unit whenever it is necessary.

Assistance is provided to keep a by-stander for the patient on request.

"It is our pleasure to render our services to all patients and assisting them in their hour of need at all times".

J. Welivita

**INDEPENDENT AUDITOR’S REPORT
TO THE MEMBERS OF THE SRI LANKA CANCER SOCIETY – PARENT SOCIETY**

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of The Sri Lanka Cancer Society – Parent Society (“the Society”), which comprise the statement of financial position as at 31 March 2020, and the statement of income and expenditure, statement of changes in funds and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Society as at 31 March 2020, and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Accounting Standard for Small and Medium-sized Entities (SLFRS for SME).

Basis for Opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the Code of Ethics issued by CA Sri Lanka (Code of Ethics) and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Committee is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor’s report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITOR'S REPORT (Continued)

Responsibilities of Committee and Those Charged with Governance for the Financial Statements

Committee is responsible for the preparation of financial statements that give a true and fair view in accordance with SLFRS for SMEs, and for such internal control as Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Committee is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Executive Committee either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SLAuSs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at Sri Lanka Accounting and Auditing Standards website at: <http://slaasc.com/auditing/auditorsresponsibility.php>. This description forms part of our auditor's report.

The financial statements are to be read in conjunction with the related notes, which form an integral part of these financial statements of the Society.

THE SRI LANKA CANCER SOCIETY - PARENT SOCIETY

STATEMENT OF CASH FLOWS

For the year ended 31 March 2020

1. ACCOUNTING POLICIES

1.1 Reporting entity

The Sri Lanka Cancer Society – Parent Society (“the Society”) is the parent of the Sri Lanka Cancer Society which is incorporated and domiciled in Sri Lanka in terms of the Sri Lanka Cancer Society (Incorporation)) Act No: 10 of 1997.

The activities of “the Society” are carried out with a view to achieving the objects as defined at section 3 of the aforesaid Act and principally focussed on the provision of relief, care and comfort to needy cancer patients and to create awareness amongst the Sri Lankan public on the prevention and treatment of cancer.

Whilst “the Society” encourages the establishment of branches outside Colombo, the management and administration of such branch societies fall within the purview of the Executive Committee of the relevant branch society.

The registered office of “the Society” and the principal place of service is situated at 37/25, Bullers Lane, Colombo 7

1.2 Basis of preparation

(a) Statement of compliance

The financial statements of the Society comprise the statement of financial position as at 31 March 2020, statement of income and expenditure, statement of changes in accumulated funds, statement of cash flow and notes to the financial statements. These financial statements have been prepared in accordance with Sri Lanka Accounting Standard for Small and Medium Sized Entities (SLFRS for SMEs).

Basis of measurement

The financial statements have been prepared on the historical cost basis. No adjustments have been made for inflationary factors in the financial statements.

(b) Functional and presentation currency

These financial statements are presented in Sri Lankan Rupees, which is the Society’s functional currency.

(c) Use of estimates and judgments

The preparation of financial statements in conformity with Sri Lanka Accounting Standards for Small and Medium Sized Entities (SLFRS for SMEs) requires management to make judgments, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the

THE SRI LANKA CANCER SOCIETY - PARENT SOCIETY

STATEMENT OF CASH FLOWS

For the year ended 31 March 2020

circumstances, the result of which form the basis of making the judgment about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised if the revision affects only the financial year or in the period of the revision and future periods if the revision affects both current and future financial years.

1.3 SIGNIFICANT ACCOUNTING POLICIES

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

(a) Property, plant and equipment

(i) Recognition and measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses.

Cost includes expenditure that is directly attributable to the acquisition of the asset and bringing the assets to its working condition.

Gains/losses on disposal of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognised net within “other operating income” in the statement of comprehensive income and retained earnings.

(ii) Depreciation

Depreciation is recognised in the statement of income and expenditure on a straight-line basis over the estimated useful lives of the asset.

The estimated useful lives of assets for the current and comparative periods are as follows:

	Years
Buildings	40
Others	10

Depreciation methods, useful lives and residual values are reviewed at each reporting date.

THE SRI LANKA CANCER SOCIETY - PARENT SOCIETY

STATEMENT OF CASH FLOWS

For the year ended 31 March 2020

(b) Investments

Long term investments made in share which are publicly traded are fair valued as at the reporting date.

Short term investments in Repo and Fixed deposits are valued at amortized cost.

(c) Other receivables

Other receivables are carried at anticipated realizable value. An estimate is made for bad and doubtful receivables based on a review of all outstanding amounts at the year end.

(d) Cash and cash equivalents

Cash and cash equivalents comprise cash in hand, deposits held at call with bank, and investments in money market instruments with a maturity period less than 3 months.

(e) Liabilities and provisions

Liabilities are recognized in the statement of financial position when there is a present obligation as a result of past events, the settlement of which is expected to result in an outflow of resources embodying economic benefits. Obligations payable at the demand of the creditors or within one year of the reporting date are treated as current liabilities in the statement of financial position. Liabilities payable after one year from the reporting date are treated as non-current liabilities in the statement of financial position.

A provision is recognized if, as a result of a past event, the Society has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

(f) Taxation

(i) Income taxation

"The Society" is exempt from income tax on interest income for the current year of assessment 2019/20, in terms of section 9 read in conjunction with clause (i) of the Third Schedule to the Inland Revenue Act No 24 of 2017 and confirmed by a direction issued by the Inland Revenue Authorities.

(ii) The Society has been recognized as an "Approved charity" in terms of Sec. 52 read in conjunction with clause 1(a) of the Fifth Schedule to the Inland Revenue Act No 24 of 2017.

(iii) Since the Society has been awarded "approved charity" status it falls outside the scope & ambit of an NGO as defined for purposes of the Inland Revenue Act No. 24 of 2017 at sec 195 thereof.

THE SRI LANKA CANCER SOCIETY - PARENT SOCIETY

STATEMENT OF CASH FLOWS

For the year ended 31 March 2020

(g) Employee benefits

(i) Defined benefit plan

Gratuity is a defined benefit plan. The Society is liable to pay gratuity in terms of the relevant statute. In order to meet this liability, a provision is carried forward in the statement of financial position, equivalent to an amount calculated based on project unit credit basis using simplifications specified by the Section 28.

Provision is made for retirement gratuity for all employees in respect of gratuity payable under the Payment of Gratuity Act No.12 of 1983. The provision is not invested in a fund outside the Society. This item is grouped under non-current liabilities in the statement of financial position.

(ii) Defined contribution plan.

Obligations to defined contribution plans are recognized as an expense in the income statement as incurred. The Society contributes 12% and 3% of gross emoluments of employees as Provident Fund and Trust Fund contribution respectively.

(h) Revenue recognition

Regular and adhoc donations and contributions are recognized when it is certain that the donation is made available for the benefit of Society. Interest income are accounted for in the period in which it relates.

(i) Expenses

All expenditure incurred in the operations of the Society and in maintaining the capital assets in a state of efficiency have been charged in arriving at the Society's deficit for the year.

(j) Restricted Funds

The society adopted the Statement of Recommended Practice issued by CA Sri Lanka .Where grants are received for use in an identified activity, such funds are held in a restricted fund account and transferred to the Statement of Comprehensive Income to match with expenses incurred in respect of that identified activity. Unutilized funds are held in their respective fund accounts and included in the Statement of Financial Position until such time as they are required.

Funds collected through a fund raising activity for any specific or defined purpose are also included under this category. The activities for which these restricted funds may and are being used are identified in the notes to the financial statements.

Endowment fund

The respective fund is setup as an endowment fund, such funds cannot normally be spent as if it were income to the Society. The income earned from such capital may, however, be utilised for restricted or other purposes of the Society.

THE SRI LANKA CANCER SOCIETY - PARENT SOCIETY

STATEMENT OF CASH FLOWS

For the year ended 31 March 2020

(k) Unrestricted Funds

Unrestricted funds are those that are available for use by Cancer Society at the discretion of the Committee of Management, in furtherance of the general objectives of Cancer Society and which are not designated for any specific purpose.

Surplus funds are transferred from restricted funds to unrestricted funds in terms of the relevant Donor agreements or with the subsequent approval of the Donor.

Contributions received from the general public are recognized in the Statement of Comprehensive Income on a cash basis.

(l) Finance income and expenses

Finance income comprises interest income on funds invested. Interest income is recognised as it accrues in statement of income and expenditure.

Finance expenses comprise bank charges and finance expenses are recognised on cash basis.

(m) Events occurring after the reporting date

All material post reporting events have been considered and where appropriate adjustments or disclosures have been made in respective notes to the financial statements.

(n) Comparative information

Where necessary, comparative figures have been rearranged to confirm with the current year's presentation.

(o) Commitments and contingencies

Contingencies are possible assets or obligations that arise from a past event and would be confirmed only on the occurrence or non-occurrence of uncertain future events, which are beyond the Society's control.

Commitments are disclosed in Note 15 to the financial statements.

Contingent liabilities are disclosed in Note 16 to the financial statements.

14.1 Allocation to Homes and Hospice

The management of The Sri Lanka Cancer Society - Parent Society has allocated 2/3 of Central Office expenditure of the Society among the Homes and Hospice divisions based on the number of beds.

THE SRI LANKA CANCER SOCIETY - PARENT SOCIETY

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 March,

15 Commitments

The Society has entered into a lease agreement with the government for the land situated at 37/25, Bullers Lane, Colombo 07. The lease agreement is for a period of 30 years from August 2000. The annual lease payment amounts to Rs. 168,500/-.

16 Contingent liabilities

There were no material contingent liabilities as at the reporting date that require adjustment to or disclosure in the financial statements.

17 Events occurring after the reporting date

There were no material events that occurred after the reporting date which require adjustments to or disclosures in the financial statements.

18. Impact of Covid 19

The Society understands the importance of the safety measures implemented by world leaders and implemented all the precautionary measures advised in the operations of the Society. We are aware of the unpredictable nature of the current situation of the country and the globe, therefore the Society wishes to further observe the impacts and take proactive measures to ensure the smooth functioning of the Society. While abiding by the health guidelines to ensure health and safety.

19 Committee of Managements responsibility

The Committee of Management is responsible for preparation and presentation of these financial statements in accordance with SLFRS for SMEs.

20 Approval of financial statements

These financial statements were approved by the Committee of Management and authorised for issue on 21 December 2020.

Extend your hand of care

Choose the means you prefer to extend your kindness to those in need.

Our belief is that every cancer patient deserves great care & comfort both physical and psychological.

Our mission is to provide this care & solace in our Homes & Hospice, to those undergoing treatment without travelling long distances. With a dedicated nursing staff, well laid out and free accommodation and meals, we offer our patients total peace of mind whilst in our care.

We have depended on the generosity of our donors to pursue our mission, during our 72-year journey. May we appeal to you to share our belief and join in our journey of caring for cancer patients?

You may do so in a number of ways...
